Dear Mr Nomdo

The Department of Health has been recently registered as an Interested and Affected Party (I&AP) for the above proposed project, even though the original public participation comment period on the draft basic assessment report (DBAR) closed in July 2022.

Over the Moon Consulting (OTM) apologises for this oversight and would greatly appreciate your comment on the DBAR:

1. All documentation for the DBAR is available on Over the Moon Consulting's (OTM's) website at www.overthemoon.co.za . Use the drop-down menu and scroll down the public participation page to select the required project.
 2. A cd copy of the DBAR will be posted to those registered I&APs who request one.
- Should you have any comments, queries or concerns regarding the project, please notify OTM in writing by **22 October 2022**, at the contact details on the website or below.

Note that in accordance with the Protection of Personal Information Act, No. 4 of 2013 (as amended), all correspondence received in relation to this project will be made public as part of the documents submitted/published. **Please inform OTM in writing should you want your details/comment to be kept private and not be published as part of the documentation submission for this project.**

OTM looks forward to your valued input.

Thank you,
Vivienne Thomson
