Enquiries:
Senior Manager: Solid Waste & Trade Services
Johan Venter

22 June 2022

To Whom It May Concern:

AVAILABILITY OF SERVICES TO ERF 1071, CHATSWORTH

The following is confirmed with respect to civil engineering services for the above mentioned property:

Water Services

There is a municipal reticulation network and the site has access to Municipal water. The capacity in the network is adequate to supply in the property's total water demand.

Sewerage Services

There is adequate treatment capacity at the Chatsworth sewerage facility to receive and treat effluent from the property.

Solid Waste

Normal refuse will be handled at the Highlands Landfill. There is adequate capacity to accommodate the development.

We trust that you find the above in order.

Yours faithfully

MUNICIPAL MANAGER
